ANNUAL IMPACT SUMMIT

227 PEOPLE ATTENDED

- ✔ Provided a health equity forum to share ideas, challenges, and lessons learned
- ✔ Highlighted the vital role we play in ensuring equity through policy & advocacy, capacity building, and research
- ✔ Hosted national speakers in Public Health

DEVELOPED A BUILDING CAPACITY WORKSHOP SERIES

26 TRAININGS
OVER **600** PARTICIPANTS

TOPICS INCLUDED: HEALTH COMMUNICATION, TECHNICAL REPORT WRITING, PROGRAM EVALUATION, GRANT WRITING, CBPR, GRANTS ADMINISTRATION, ETC.

"The most valuable aspects of this workshop include the interactive components of it. Where people were made to feel welcome to engage in dialogue throughout the presentation."
